Class of 2014 does it again at U-lympics

By Todd Forrest
North Georgia News
sports@ngenews.com

The seniors reigned supreme during the 2013-14 Union County High School U-lympics that culminated last Friday.

Each of the four grades are judged throughout the school year on grades, attendance, behavior, school spirit, academic and the athletic competitions held during the final days of school.

Last year as juniors, the Class of 2014 shook things up when they took home the first place prize. And as this year's final tallies were being read, it was neck-and-neck between the seniors and the juniors.

The junior class was hoping to give their elders a taste of their own medicine, while the seniors were looking to keep the trophy in their possession.

The final point totals went: seniors 246, juniors 198, freshman 106, and sophomores 60. The seniors back-to-back titles marks just the second time in the history of the U-lympics that the same class has won it all in consecutive years.

The seniors finished in first place in the following fields: G.P.A., Attendance, Discipline, Reading Level Improvement, lowest lunch fines, Art, English, Music, Science, Social Studies, Business Applications, Construction, Metals, Automotive, Girls Chess, Boys Golf, Baseball Throw, Girls 3-Point Shooting, Boys Tug-of-War, and Boys

As juniors, the Class of 2014 showed no respect to their elders when they swiped the U-lympics trophy away from the seniors. Last week, the U-lympics culminated with the Class of 2014 refusing to suffer the same fate as last year's seniors and showed the youngsters who's boss, taking back-to-back U-lympics crowns.
